No.SMB/51/2015-16/2

Dated Shillong the 17th April 2015

Advertisement

The Swachh Bharat Mission of the Government of India aims to ensure that a). No households shall engage in the practice of open defecation. b) No new insanitary toilets will be constructed during the mission period and c) Pit latrines are converted to sanitary latrines. It is target to provide household toilets to households practicing open defecation through this mission. However since individual toilets may not be feasible for each and every households due to space constraints, the mission will assist in the construction of community toilets and will provide a grant of 40% of the cost. The balance amount can be generated through, beneficiary share, additional resources from the State Government, Private Sector Participation, CSR etc.

With this objective, applications/proposals are invited from interested local communities or group of households within Shillong Municipality for availing assistance under the Swachh Bharat Mission, towards construction of community sanitary toilets.

Last date of receipt of complete application form is on the 15th May 2015.

General Instructions

1. The beneficiary shall mean a group of households whose members do not have access to a sanitary toilet and for whom the construction of an individual sanitary toilet is not feasible.
2. The application may be made in plain paper and should contain the following information.
 - a. Names and addresses of all the heads of the households applying for the assistance and the number of people in each household.
 - b. Proposed location of the community toilet. Area details, and rough sketch showing the site may be submitted along with the application.
 - c. NOC from the land owner of the site where the community toilet is proposed to be located. This may be submitted at a later stage in case it could not be obtained before the 30th April 2015.
 - d. NOC from the neighbors of the site, in case the proposed toilet is at a distance of less than 1.80 meters from the boundary.
5. The application will be subjected to a verification process for final selection of the beneficiaries.
